High performance
with a wide range of
solutions and options.

Product description

The counter scale KH II 800 Pro provides you with functions for a modern fresh food counter: Weighing, labeling, advising customers and transactions are possible with this scale. Communicate information, advertising contents and cross selling campaigns via the brilliant 12.1" customer display. Combined with a cash register drawer this counter scale becomes an efficient checkout solution.

A powerful and open PC platform ensures high performance: The large RAM has sufficient memory to let you implement new features or individual requirements. Even the use of 3rd-party software is easily possible. Benefit from the scale's ergonomic design, e.g. from an easy paper roll change with the Easy Load printer. Replace wear and tear parts almost without tools.

KH II 800 Pro with 12.1" operator display

Highlights

- High-end PC scale with a powerful Intel® Quad Core processor: More performance for optimized graphics while consuming minimum energy
